Broker's Comments:

Najad 373 is a robust, well-sailing and very beautiful yacht. Built and adapted for comfortable sailing, regardless of whether you are sailing close to the coast or on the high seas. Najad 373 was one of the first yachts where Najad involved the yacht designer Judel/Vrolijk & Co, which among other things, resulted in a very well-designed sailing yacht with awesome looking lines.

The yacht is a sandwich construction with divynycell as core material. It has a deep bilge and lead keel as well as a skeg hung rudder.

The layout includes an aft cabin with double berth and a small sofa, longitudinal galley, navigation table and heads are located directly at the entrance stair, saloon with two sofas and a forward cabin with a v-berth.

Najad 373. FELICIA was delivered to her first owner in 2001 and was bought by her current owner in 2007. The yacht is in generally good condition for its age and has had some updates in recent years.

If you are looking for a well-kept Orust yacht in the 37 foot class, FELICIA would be a very good choice! The yacht can be viewed at its dock in Göteborg (Öckerö).

FELICIA is ready for this summer's sailing adventure!

Key Facts:

- 4 + 2 berths in two cabins + saloon.
- Furling genoa – 2022.
- Sprayhood – 2022.
- Sprayhood extension – 2022.
- Bowthruster.
