Broker's Comments:

The Hallberg-Rassy 43 is one of many successful models from the Swedish yard, based on the island of Orust. The yard built 199 yachts between 2001 and 2016 and it has won prestigious awards all over the world. It is easy to understand why, as the 43 has all the typical Hallberg-Rassy benchmarks. It goes without saying that this is a well-built blue water cruiser. The interior plan is all on one level, there is a seagoing galley, a windshield, a rubbing strake on the hull, good engine, generous tankage and timeless beautiful lines with a natural grace. The interior offers two spacious cabins; a double and a single berth in the aft cabin and a v-berth in the forward cabin. Both have their own heads with shower. The U-shaped galley is directly to starboard of the entrance and the navigation area is to port. In the saloon are two sofas and a solid table with foldable sides. With the Hallberg-Rassy 43, the yard has managed to create a yacht with great sailing performance, generous spaces in the saloon and cabins and a well-protected cockpit where you can easily handle the sails through a battery of push-buttons.

Hallberg-Rassy 43, HILDA AF TÄBY, has been sailed by its third owner since 2014. The current owners have sailed in the Baltic Sea and Kattegat, with visits to both Germany and Denmark in the summers. HILDA underwent a major refit in 2015 including an update of sails and systems servicing on board. In recent years, she has also been updated with new instruments and batteries. She is a well-equipped lady with all conceivable equipment to cope with life aboard, no matter what task she is faced with. She comes with diesel generator, watermaker and washing machine. The owners have taken good care of her with no expense spared to keep her in perfect condition. This Hallberg-Rassy 43 feels and looks great, and she is ready to embark on new adventures.

Key Facts:

- Hydraulic furling mast and genoa system.
- 3 x Electric winches from Lewmar.
- Bow thruster.
- Electric anchor windlass in bow and stern.
- New navigation equipment from Raymarine.
- Diesel generator 6,5kW, Fischer Panda.
- Solar panels.
- AGM batteries -2019.
- Washing machine.
- Watermaker.
- 3-blade bronze folding propeller.
- Refurbished underwater body.
- Sleeps 5 in 2 cabins.
- Aft cabin with double berth and single berth.
- Professionally maintained.

Construction:

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC or RCDII (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised A – "Ocean" (or Cat B – whichever is appropriate)

Hull & Deck:

- White hull with blue trim lines.
- Hull and deck in GRP.
- Integrated rubbing strake.
- Deep bilge.
- Refurbished underwater body, new epoxy and antifouling -2017.

Keel & Rudder:

- Lead keel with keel bolts in stainless steel.
- Skeg hang rudder.
- Teak on deck, cockpit, coach roof and swim platform.

Machinery:**Engine & Gearboxes:**

- Volvo Penta D2-55, 55hp approx. 2300 hours.
- Double fuel filter (Racor).
- Shaft drive.
- Centaflex shaft coupling.
- Cutlass bearing (Volvo Penta) - 2014.
- Shaft seal (Black Jack) - 2014.

**Propulsion & Steering:**

- Folding 3-blade bronze propeller (Flexofold) – 2015.
- Extra propeller, 3-blade bronze (J-prop).
- Rope cutter (Ambassador), service – 2012.
- Bow thruster 8hp.

Electrical Systems:**Voltage Systems:**

- DC control panel.
- 4 x 230V outlets.

Battery Banks:

- 12V AGM service batteries 800 Ah (Extreme Carbon) - 2019.
- 12 V start battery.

Battery Chargers:

- Battery charger 12V/80A (Mastervolt).
- Inverter 12V/230V/2kW (Mastervolt).

Alternators:

- Alternator 12V/115A -2019.
- Isolation transformer 3,5kW/16A (Mastervolt) - 2012.

Generator:

- Diesel generator 6,5kW, 230V, 50Hz (Fischer Panda NE-8000) - 2012

Shore Power:

- 220 V shore power system with earth fault breaker.

Other Electrical:

- Solar panels with MPPT regulator, 380W -2012.

Plumbing Systems:**Fresh Water & Water Heating System:**

- Water heater - 2019.
- Hot water - 40 L.

Watermaker:

- Watermaker 120L/hour (ENWA MT-3200 Split), new Filtertec membrane - 2012.

Bilge Pumps:

- Manual bilge pump.
- Electric bilge pump.
- Electric emergency bilge pump.
- Sea water pump.

Tankage:**Fuel:**

- Diesel approx. 395 L (stainless steel).

Fresh Water:

- Fresh water approx. 650 L (stainless steel).

Grey/Blackwater Holding Tanks:

- Blackwater 2 x 40 L, deck and sea evacuation (stainless steel).

Other:

- 2 x Gas bottle, PA6, new regulator - 2021.
