**Broker's Comments:**

Malö 45 is known as a solid blue water cruiser, a great yacht for sailing anywhere in the world. In short, the Malö 45 offers superb seagoing characteristics, a traditional interior of selected mahogany, huge amounts of storage, as well as a protected aft cockpit with space for 6 persons. The C version has a classic negative stern offering more aft deck space and deck storage whereas the standard version has an integrated swim platform.

Malö 45 YDALIR was delivered in 2002. The first owner sailed in Scandinavian waters during summer time and kept her inside a heated shed during winter time, it was always professionally maintained. In 2006, when the current owner purchased YDALIR it was a yacht in mint condition.

After enjoying northern waters for more than 10 years YDALIR and her crew were ready for some ocean sailing. In 2017-2019 YDALIR was carefully prepared for circumnavigation. All onboard equipment was carefully inspected, fully serviced or replaced and several new installations were made. YDALIR did the ARC in 2019.

YDALIR has just returned by freight ship from Caribbean and is now located at Berthon Scandinavia's showing dock in Henån, Sweden!

**Key Facts:**

- Electric in-mast furling (Seldén) – 2020.
- 2 x Furlers for Genoa and Jib – 2020.
- Standing rigging (Seldén) – 2020.
