Broker's Comments:

This Hallberg-Rassy 310, ALCA, has had only one owner and has been sparingly used for three seasons. She has sailed a total of 3 months along the Swedish and Norwegian coasts. The owner has spared no expense, and ALCA has a high level of equipment, including lithium batteries, radar, plotter, laminate sails, and a gennaker with a furling system. ALCA has been meticulously maintained by her owner and serviced by Vindö Marin, where she has also been stored indoors during the winter. This is truly a boat in excellent condition, she looks like new, ready to explore the world with a new crew!

Key Facts:

- Conventional rig from Selden Mast.
- Laminate sails from Elvström.
- Boom with stack pack and lazy jack system.
- Volvo Penta D1-20 engine.
- Tiller steering.
- Lithium batteries.
- Autopilot on rudderstock.
- Bowsprit for gennaker.
- Sprayhood with extension for cockpit.
- Bathing platform with teak.
- Teak in cockpit.
- Raymarine navigation equipment.
- Radar.
- 6 berths in 2 cabins + saloon.
- Heater.
- Professionell service and maintenance.
- Winter stored indoor.
- Boat in as new condition.

Manufacturer's Comments:

Hallberg-Rassy 310 is an elegant, fast, and easily maneuverable cruiser. The collaboration between Germán Frers and Hallberg-Rassy has been highly successful, resulting in a boat with beautiful hull lines and a modern sail plan. As a result, 132 boats have been produced at the renowned yard in Ellös. This is truly a true Hallberg-Rassy model with all the typical details found on their larger models, such as a windshield, integrated rubbing strake, teak toe rail, and lead keel. The teak in the cockpit and on the bathing platform is vacuum glued. Everything is packaged very tastefully in these 31 feet, a dream boat within reach!

The layout offers accommodation for up to 6 people, spread across two cabins and convertible sofas in the salon. The interior is made of light mahogany, which, combined with good natural light, gives a surprisingly spacious feeling when you step into the boat. Directly to starboard at the foot of the companionway is the galley with ample storage, a stove with an oven, and a compressor-driven refrigerator. Both the aft and forward cabins are generous in size and offer double berths and storage space. In the salon, there is a table with folding sides and two sofas, and a protective mat covers the floor. The toilet is bright, spacious, and comes with a Corian countertop. There are 10 portlights and 4 deck hatches on the boat, all of which are openable and provide excellent ventilation on board.

The cockpit offers plenty of space for everyone on board, and through the opening at the stern, you can easily access the bathing platform, which can be closed off if needed. Hallberg-Rassy 310 is not only a beautiful boat with generous spaces, both below deck and in the cockpit, but she is also a proven good performer and has won her class in the world's largest sailing race, Tjörn Runt.
