Beam 10'6" / 3.21m
Draft 6'3" / 1.90m
Displacement 4,300kg / 9,480lb
Hull Material GRP
Engine 1 x Yanmar 3YM20 20hp
Builder X-Yachts
Designer X-Yachts Design
Accommodation 6 berths in 3 cabins

BROKER'S COMMENTS

The first X-Yacht model, the X-79, was launched in 1979. Thirty years later, with extensive experience in successful 30-foot designs, the X-Yachts Xp 33 was introduced to the market. The model quickly became a success and until 2017 - 64 boats were produced. X-Yachts has always been associated with fast sailboats of high quality and clean design. The distinctive lines leave no sailor unaffected, and with the XPerformance series, they have taken it to a new level. The term "performance cruiser-racer" paints a clear picture of the unmatched performance she delivers.

The hull and deck are manufactured using a sandwich construction and vacuum-infused epoxy, reinforced with carbon fiber, all to reduce weight. Thanks to high stability, low weight, and easy handling, she is not only a fast racing boat but also an uncompromising and comfortable yacht to sail on vacation.

Tiller steering gives you an unbeatable feeling and overview of sail trim, in addition to an extremely spacious cockpit. The X-Yachts Xp 33 comes with a carbon fiber bowsprit that can be easily retracted into the hull. Below deck, you are greeted by a modern saloon with a conveniently accessible galley. The saloon table can be removed if you want more space for sails during regattas. Six berths, distributed between the forward berth and two symmetrical cabins in the aft, provide ample space for the crew or family. In front of the main bulkhead, there's a toilet and bathroom module. On the starboard side, there's a forward-facing chart table, and the engine is easily accessible beneath the companionway. If you're looking for a wonderful sailing experience combined with great comfort, you will not be disappointed.

X PLAY has only had two owners and has been used exclusively for holiday sailing. She is in very good condition and has been equipped to provide a comfortable life on board. In addition to standard equipment, you will also find a refrigerator, hot water, and a gas stove with an oven. Extra thick cushions in all cabins, and the saloon has both a heater and extra cabinets for storage. There is teak in the cockpit, which can be protected by a spacious canopy during inclement weather. The genoa winches are of a larger model, and there is an extra battery for service. The owners have taken good care of her, and she has received new running rigging and an anchor in the past year. After sailing her for three seasons, the owner is now looking for a larger boat. Don't miss the opportunity to see this Xp 33.

Key Facts:

- Conventional 2-spreader mast, tapered (John Mast).
- Rod rig.
- 3DL sails (North Sails).
- Gennaker and Code 1.
- Bowsprit in carbon, retractable.
- Yanmar 3YM20, 20hp.
- Autopilot on rudder stock.
- Maxi displays at mast.
- 6 berths.
- Not used for racing.
- Extra service battery.
- Teak in cockpit.
- Stove with 3-burners and oven.
- Heater.
- Fridge ASU.

- Cockpit canopy, blue.
- Service and indoor storage at OYS last winter.

CONSTRUCTION

Hull, Deck & Superstructure Construction:

- White hull with blue trim lines.
- Hull and deck in vacuum injected epoxy, sandwich construction with reinforcement in carbon fibre.
- Epoxy treated underwater body.
- Blue antifouling - 2023.
- Bowsprit carbon fibre, retractable.
- Centre lift.
- Teak in cockpit.

Keel & Rudder:

- T-keel. Iron fin with lead bulb.
- Balanced rudder, tiller steering.

MACHINERY

Engine & Gearboxes:

- 1 x Yanmar 3YM20, 20hp - engine hours: c. 420.
- S-drive.
- Folding propeller, 2-blade (Flexofold).

Propulsion & Steering:

- Tiller steering, composite with extension (Spinlock).

ELECTRICAL SYSTEMS

Voltage Systems:

- DC control panel.
- 230 V outlet.
- 12 V outlet.

Battery Banks:

- 2 x 12 V AGM service battery 186 Ah.
- 1 x 12 V AGM start battery 70 Ah.

Battery Chargers:

- Battery charger 12V/15A (Victron Energy).

Alternators:

- Alternator 12V.

Shore Power:

- 220 V shore power system with earth fault breaker.

Other Electrical:

- Galvanic isolator.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Total hot water capacity of 15 litres.

Bilge Pumps:

- Electric bilge pump.
- Manual bilge pump.

TANKAGE

Fuel:

- Total fuel capacity of 50 litres.

Fresh Water:

- Total water capacity of 110 litres.

Grey/Blackwater Holding Tanks:

- Holding tank 1 x 25 L, deck and sea evacuation.

Gas:

- 2 x Gas bottle.

NAVIGATION EQUIPMENT

- 1 x Compass with light (Silva).
- Wireless navigation displays.
- 3 x Micronet Maxi displays on mast (Raymarine).
- 1 x Multidisplay at nav table (Raymarine).
- 1 x logg/depth transponder.
- 1 x compass transponder.
- 1 x wind transponder, vertical carbon.
- Remote control for instrument.
- NMEA interface box.
- VHF Ray 49E (Raymarine).
- Antenna for VHF/ FM (Halifax).
- Autopilot E200 on rudderstock (Raymarine).
- P70 Autopilot display (Raymarine).

DOMESTIC EQUIPMENT

Galley:

- Stove upgrade with 3 burners and oven (ENO).
- Double sink with water tap, stainless steel.
- Fridge 49L, ASU (Isotherm).

Heads/Showers:

- 1 x WC.

Heating & Ventilation:

- 1 x Diesel heater incl 2 outlets (Eberspächer D2).

Entertainment:

- CD/DVD/Bluetooth/USB/NMEA (Fusion MS-AV750).
- Speaker in cockpit and saloon (Bose/ Fusion).

Lighting:

- LED navigation lights.

ACCOMMODATION**Summary of Accommodation:**

- Interior in teak and composite.
- Light saloon cushions in Alcantara.
- 6 berths.
