Broker's Comments:

The Hanse 531 is a beautifully designed yacht, built with focus on performance, comfort and safety. This yacht has a length of 16.15 meters and a beam of 4.91 meters, providing ample space for the crew and guests on board. The Hanse 531 has a sleek and modern appearance with clean lines, a spacious cockpit, and a large deck area for sunbathing and relaxing.

One of the notable features of the Hanse 531 is its spacious interior with a lot of natural light. The yacht boasts three cabins and three heads, accommodating up to seven people comfortably. The saloon is also roomy and comfortable, with an L-shaped settee, fixed and removable chairs and a large dining table. The galley is fully equipped with modern appliances, including a refrigerator, stove, oven, and microwave.

The Hanse 531 is also equipped with a powerful engine, a Yanmar 100hp, making it capable of achieving impressive speeds also while under motor. The yacht is easy to handle, thanks to a modern rigging system and to state-of-the-art navigation equipment.

Hanse 531 VINDIA II has been well-maintained over the years, and it shows. The yacht is in good condition for her age. She has undergone regular servicing, ensuring that all systems are in good working order.

Overall, the Hanse 531 is a good choice for anyone looking for a modern nice-looking yacht that is capable of delivering good performance and comfort. With a spacious interior, modern equipment and impressive sailing capabilities, this yacht is sure to provide an unforgettable sailing experience for all aboard. Please feel free to contact us anytime to arrange a viewing and see the Hanse 531 for yourself.
