Designer Judel & Vrolijk / Najadvarvet
Accommodation 6 berths in 2 cabins and saloon

BROKER'S COMMENTS

The Najad 331 is a super nice boat - it's stylish, comfortable to live on and really fun to sail.

A Najad 331 is suitable for both coastal sailing and longer sailing trips on the open sea. A well-sailed yacht that is easy to manoeuvre thanks to the fin keel and free-hanging rudder. The V-shaped hull provides a pleasant ride at sea. The interior offers comfortable accommodation for 4+2 people.

This Najad 331, NO NAME is a special yacht. It was originally owned by a Norwegian company that used the yacht to run a sailing school. When the current owner bought the yacht in 2016, it was well used and in need of a lot of updating. The current owner has done a very good job and the boat is now in nice general condition for its age and has had a large number of updates.

The interior has been updated to imitate the interior design of the successor Najad 332, with, among other things, milled grooves in the cabinet doors. The floorboards are new. All cushions and textiles have been replaced as well as most electronics. The boat has received a new furling mast and sails, as well as a new teak deck. The engine has been replaced with a Yanmar 39hp shaft drive (instead of the sailboat drive and 28hp engine that is standard). The original aluminium rudder shaft has been replaced with a stainless steel shaft.

If you are looking for a nice Orust produced yacht in the 33-foot class with the latest equipment (from 2017) - this nice and completely updated yacht can be a very good option!
