BROKER'S COMMENTS

The Hallberg-Rassy 43 is a well-built and well-proven bluewater cruiser. 199 units were delivered from the yard between 2001 - 2016. It is an excellent yacht for both coastal and ocean sailing. The HR43 offers a very comfortable and spacious two-cabin layout with a large owner's aft cabin, a sea going galley, an ergonomic navigation area, forward guest cabin and two heads with shower. Other typical Hallberg-Rassy features includes the large and service friendly engine room, a center cockpit with a protective windshield, generous tankage, a rubbing strake on the hull and timeless beautiful lines. Shortly described - a superb yacht for cruising and long term liveaboard.

The first owner took this Hallberg-Rassy 43, FREDRIKA on a trip to the Caribbean and back in 2004, after that it has sailed in Scandinavian, mainly in Swedish waters until 2016 when the second owners bought the yacht. It got a big refit at Adams Boat Care to be prepared for another Caribbean trip. FREDRIKA did the ARC in 2019 and was shipped back to Europe in 2020. The third (current) owner bought the yacht in 2021. In recent years the yacht has had new upholstery, running rigging, canvas, davits, batteries, through hull fittings, sailing instruments, a big engine service and much more.

This is a well-equipped and nicely updated yacht that is available at our showing dock in Henån - ready for new adventures!
