<b>Designer</b>	Norlin / Sweden Yachts
<b>Accommodation</b>	6 berths in 3 cabins

## BROKER'S COMMENTS

Sweden Yachts 40, VIKING CRUSADER is a modern bluewater performance cruiser, offering superb comfort and sailing characteristics. The clever hull design incorporates a new wing keel and rudder profile. Equipped with a self-tacking jib, a large fully battened mainsail, with single line reefing system, and a fixed mounted furling code zero, sail handling is easy and efficient. The deck layout is uncluttered with all control lines led back to the cockpit. There are 2 x electric and 4 x manual Andersen winches and all deck gear is Harken. In the cockpit, there is easy access to the integrated swim platform and there is plenty of space for crew and guests. The well-designed sprayhood offers good protection from rain and wind. There is teak laid in the cockpit and on the side decks.

The layout includes a forward owner cabin with en-suite heads / shower and two aft guest cabins with double berths. Directly to starboard of the entrance is an L-shaped galley with a fridge box and a fridge with door, and the galley top is made of Corian. To port of the entrance is a day heads / shower. The saloon is to port with a C-shaped sofa and the navigation area is to starboard in front of the galley. The interior is made of high-quality varnished mahogany.

VIKING CRUSADER was delivered to her current (first) owners in 2009. She has mainly been sailing Scandinavian waters but also participated in the ARC in 2010, where she was the winner in her class.

VIKING CRUSADER is a very well-kept yacht in good condition.

- Anchor chain (stainless steel) - 2021.
- Teak deck.
- Volvo D2-40.
- Sail drive with 3-bladed folding propeller.
- Complete navigation system (Raymarine).
- Computer.

## OWNER'S COMMENTS

We have been faithful to the Swedish shipyard Sweden Yachts from which we have had four newly built boats. All the boats have been fantastic. The current boat is from 2009 and is a Sweden Yachts 40. The boat is of the absolute best quality - very well built, fast, sails well, beautiful, and very practical.

We have done long distance sailing with only 2 people across the Atlantic and a lot of sailing in Scandinavia and European waters. It is so easy to sail her, even for 1 person. A pure luxury sailing yacht!

## CONSTRUCTION

*RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC or RCDII (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised A – “Ocean”*

### Hull, Deck & Superstructure Construction:

- Sail drive.

### Propulsion & Steering:

- 3-bladed folding propeller.
- Steering wheels with elk skin cover.

## ELECTRICAL SYSTEMS

### Battery Banks:

- 4 x 12 V / 110 A AGM service batteries.
- 12 V start battery 85 Ah.

### Battery Chargers:

- Battery charger / inverter combi 60 A / 2000 W.
- Battery monitor (Mastervolt MICC).

### Alternators:

- Alternator 115 A / 12 V for start battery.
- Alternator 70 / 24 V for service batteries.

### Shore Power:

- 220 V shore power system with earth fault breaker.

## PLUMBING SYSTEMS

### Fresh Water & Water Heating System:

- Hot water - approx. 30 L.

**Watermaker:**

- Prepared for watermaker.

**Pumps:**

- Manual bilge pump.
- Electric bilge pump.
- Shower discharge pump.
- Fresh water pump.

**TANKAGE**

**Fuel:**

- Approx. 200 L (43.99 gallons) (stainless steel).

**Fresh Water:**

- Approx. 300 L (65.99 gallons) (2 x 150L, stainless steel).

**Grey/Blackwater Holding Tanks:**

- Approx. 64 L (14.07 gallons) + 50 L (10.99 gallons), deck and sea evacuation (stainless steel).

**Gas:**

- 3 x Gas bottles.

**NAVIGATION EQUIPMENT**

- Compass with light.
- Navpod for instruments at pedestal.
- Plotter at pedestal (Raymarine E80RC).
- Plotter at navigation area (Raymarine E120RC).
- Autopilot (Raymarine ST6000) with display at the pedestal.
- Remote control for the autopilot.
- Radar antenna 2 kW (Raymarine) mounted on the backstay (Scanstrut mounting).
- Wind instrument (Raymarine ST60).
- Depth instrument (Raymarine ST60).
- Speed instrument (Raymarine ST60).
- Graphic instrument (Raymarine ST60).
- VHF (Raymarine 240E dual), operated from navigation table and cockpit.
- 2 x VHF loudspeakers.
- NMEA interface.
- AIS transceiver, function unknown.
- Combi antenna for VHF/GSM/FM.
- Weather station (Weatherman) at navigation table.
- PC (Digital Yacht CF60).
- Screen (Digital Yacht).

**DOMESTIC EQUIPMENT**
