Hull Material	GRP
Engine	1 x Volvo Penta D2-55F
Builder	Dufour Yachts
Designer	Umberto Felci
Accommodation	6 berths in 3 cabins

BROKER'S COMMENTS

The Dufour 410 Grand Large is a modern cruiser built by the renowned French yard, founded by Michel Dufour back in 1964, which has produced a large number of sailboat models during the last 60 years.

This specific Dufour 410 GL - VAI - was delivered to her first (German) owner in 2013 and was purchased by her current (second) owner 5 years ago. In recent years, she has been sailed in Scandinavian waters during the summer season, mainly in the archipelago on the Swedish west coast.

VAI is equipped with a conventional mast, mainsail with a lazy bag and furling jib. The sail wardrobe also includes a furling Code 0 and a spinnaker.

The cockpit is very spacious with twin wheels, a foldable swim platform, a large, fixed cockpit table and great storage space. A practical folding cockpit tent/bimini with removable side panels provides good protection on both sunny and rainy days.

The bright interior includes a captain's cabin forward with a double berth and two aft cabins with double berths, allowing 6 people to sleep comfortably. Directly adjacent to the companionway is a galley to starboard and a head with shower to port. The saloon is bright and spacious with a sofa, table, seating to port and a navigation station to starboard.

During her current ownership, VAI has been professionally maintained and stored indoors during the winter season. The boat has received several upgrades, such as a new plotter, new stern thrusters, new sail drive seal, new sprayhood and bimini and much more.

If you are looking for a modern 3-cabin family cruiser in good general condition, VAI is definitely worth a visit!

Key Facts:

- Conventional aluminium mast.
- Lazy bag.
- Code 0 with furler.
- Spinnaker.
- Volvo Penta D2-55.
- Sail drive seal – 2023.
- Bow thruster.

- 3-blade folding propeller (Variprop).
- 2-blade fixed propeller as spare.
- 2 x Stainless steel, skin covered steering wheels (Lewmar).
- Cables and chains steering system.
- Bow thruster.
- 2 x Stern thrusters – 2023.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12VDC.
- 230VAC.

Battery Banks:

- Start battery 12V/70Ah.
- Service batteries, AGM 12V/200Ah (2x12Vx100Ah).
- Bow thruster batteries 24V/100Ah (2x12Vx100Ah).

Battery Chargers:

- 230V/12V /25A for service batteries (Cristec).
- 12V-30A/24V-15A for bow thruster batteries (Sterling).
- Solar panel.

Alternators:

- 12V / 115A.

Shore Power:

- 230V.

PLUMBING SYSTEMS**Fresh Water & Water Heating System:**

- Pressurized hot and cold freshwater system.
- 12V Fresh water pump.
- Hot water boiler 20L.

Bilge Pumps:

- Bilge pump, electric 12V.
- Bilge pump, manual.

TANKAGE**Fuel:**

- Approx. 200L.

Fresh Water:

- Approx. 360L.

Grey/Blackwater Holding Tanks:

- Approx. 50L.

NAVIGATION EQUIPMENT

- 2 x Compass.
- 3 x Sailing instruments (Raymarine i-70).
- MFD (Raymarine Axiom) – 2023.
- VHF (Raymarine DSC) with two handsets.

DOMESTIC EQUIPMENT**Galley:**

- Gas stove with two burners and oven.
- Gas cylinder.
- Large fridge box with 12V compressor.
- Portable freezer 25L, 230V/24V/12V (Dometic).
- Twin sink.
- Fresh water faucet.
- Fresh water faucet, manual foot pump.

Heads/Showers:

- Marine toilet, electric.
- Toilet hoses – 2023.
- Wash basin.
- Fresh water faucet.

- Mirror.
- Shower faucet.
- Shower discharge pump.
