Najad 490 > LAHAINA

Price	€399,000 VAT paid
Location	Gibraltar
Year	2000
LOA	49'3" / 15m
LWL	43'1" / 13.13m
Beam	14'9" / 4.5m
Draft	7'9" / 2.35m
Displacement	17,500kg / 38,581lb
Hull Material	GRP
Engine	1 x Yanmar 4JH3-HTE, 100hp
Builder	Najadvarvet AB
Designer	Judel/Vrolijk & Co
Accommodation	6 berth in 3 cabins

BROKER'S COMMENTS

The Najad 490 was the first Najad yacht involving designer Judel/Vrolijk & Co. Together with Najadvarvet this specific yacht model was the beginning of a long-term cooperation between the companies which has resulted in numerous world class Najad cruising yachts. Compared to most previous Najad models, the Najad 490 has a more efficient hull shape, keel and rudder design, resulting in fantastic sailing characteristics, especially in lighter winds. The Najad 490 is a dream to sail on the oceans, yet relatively fast and easy to handle for coastal sailing.

All sail handling is easily done from the centre cockpit which is equipped with a solid fixed windscreen and a sprayhood with grab rail, allowing for great protection from any cold, windy and rainy weather. The wide side decks together with numerous solid grab rails makes moving around on deck both safe and effortless. On the forward deck is a large sail locker, making the handling downwind sails very efficient. The new Flexiteek deck installed in May 2023 is not only stunning to look at but also offers an excellent anti-slip surface, easy to clean and maintenance free.

Najad 490, LAHAINA has had an adventurous life and has proven to be a superb bluewater cruiser. The previous owner sailed LAHAINA around the world and the current owner, who bought the yacht in 2019, has sailed in northern Europe and in the Mediterranean. During recent years LAHAINA has had several costly upgrades, including a new deck (Flexiteek), new rigging, new electronics and a custom made stainless steel arch with solar panels in the stern.

The layout includes an aft owner's cabin with a wide centered double berth, ensuite heads / shower and plenty of storage for long term live aboard. The galley, which is located directly to port of the entrance, is longitudinal and extends aftwards. Directly to starboard of the entrance you will find a large navigation area which also can work as an office. The saloon has a sofa to port, a solid table and two very comfortable chairs to starboard. In front of the mast bulkhead you will find a guest cabin with bunk beds to port and heads with separate shower compartment to starboard and the forward cabin with a double berth.

Najad 490, LAHAINA is currently located in Gibraltar and will be sailed by her owner in the Western Mediterranean during the spring 2024.

Please feel free to contact Berthon Scandinavia for further information and to book viewings!

Key Facts:

- Flexiteek deck – 2023.
- Standing and running rigging – 2023.
- Custom built solar arch incorporating seats and lifting davits – 2023.
- Three cabin layout.
- Owner's aft cabin with centre berth and ensuite.
- Saloon with one sofa and two comfortable chairs.
- Longitudinal galley.
- In mast furling.
- Twin furling head sails.
- Hydraulic aft stay, boom vang and baby stay.
- 3 x Electric winches (Andersen).
- Bow thruster.
- Yanmar 100 hp engine.
- Fischer Panda 8000i generator.
- Plotter (Raymarine Axiom 12 Pro RVX) – 2021.
- Radar (Raymarine Quantum 2 Doppler) – 2021.

- Autopilot (Raymarine EV-400 Autopilot) – 2021.
- AIS (Raymarine AIS 700 Class B transceiver) - 2021.
- Electric windlass.
- Lifteraft (Seago 6 pers ocean) – 2023.

CONSTRUCTION

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC or RCDII (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised A – “Ocean” (or Cat B – whichever is appropriate)

Hull, Deck & Superstructure Construction:

- Deck coach roof and swim platform covered with Flexiteek - 2023.
- Teak in cockpit
- GRP hull and deck in sandwich construction with divinycell core.
- White hull and superstructure.
- Red trim lines.

Keel & Rudder:

- Deep bilge.
- Lead keel.
- Skeg hung rudder.
- Emergency tiller.

MACHINERY

Engine & Gearboxes:

- 1 x Yanmar 4JH3-THE, 100hp diesel engine.
- Shaft coupling (Aqua Drive).

Maintenance & Performance:

- Engine hours approx 4,750 @ February 2024.
- Latest engine service –2023/08.

Propulsion & Steering:

- Bow thruster (MaxPower 140 VIP retractable).
- Propeller (Bruntons Autoprop variable pitch) – 2022.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12 V start battery system.
- 24 V service battery system.
- 230 V Shore power system.

Battery Banks:

- 24 V / 510 Ah service battery system (AGM deep cycle 12V x 4 x 255 Ah).
- 12 V Engine and generator start battery system (12V x 75 Ah).

Battery Chargers:

- Charger / Inverter (Mastervolt Mass Combi 24 V / 2500 W / 60 A) with Mastervolt serial interface.

Alternators:

- Hitachi alternator 12 V.
- Mastervolt alternator 24 V.

Generator:

- Diesel generator (Fisher Panda 8000i 6.4 kW / 8 KVA) approx. 865 hrs.
- Latest Service – 2023/08.
- Fischer Panda PMGi 8000 power inverter.
- Exhaust separator for generator.

Shore Power:

- Shore power system 230 V.
- Victron STI 30 Isolation Transformer.
- 230 V outlets in all cabins.

Other Electrical:

- Battery monitor system (Mastervolt Easy View 5) – 2023.
- Shunt (Mastervolt Mastershunt 500) battery monitor – 2023.
- USB interface for laptop (Mastervolt monitoring and configuring) – 2023.
- Solar regulator (Mastervolt SCM 60) - 2023.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Fresh water pump.
- Water heater (Sigma Marine stainless steel 40L, 230 V and/or engine heated).

Watermaker:

- ECHO Tec watermaker Model 690-AML-2 approx. 100 L / hr.

Bilge Pumps:

- Manual bilge pump (Whale).
- Electric bilge pump with float switch (auto/man).
- Electric bilge pump high capacity.

TANKAGE

Fuel:

- Total diesel fuel capacity of approx. 605 litres in 2 x tanks.
- Fuel transfer pump.
- Diesel pre filter (Parker Racor).
- Upgraded to Lloyds A1 certified and approved fuel lines.

Fresh Water:

- Fresh water capacity of approx. 730 litres in 2 x tanks.

Grey/Blackwater Holding Tanks:

- Holding capacity approx. 140 litres in 2 x 70 litre tanks.

NAVIGATION EQUIPMENT

- Compass (Suunto pedestal mounted).
- Plotter (Raymarine Axiom Pro 12 RVX 12" touch screen with RealVision 3D sonar) – 2021.
- Transducers (Raymarine twin RV-200 bronze transducers for RealVision 3D sonar) – 2021.
- Radar (Raymarine Quantum 2 Q24D Doppler radar) – 2021.
- Autopilot (Raymarine EV-400 Autopilot Sail pack with p70s colour display controller) – 2021.
- Autopilot control unit (Raymarine ACU-400 actuator and rudder feedback) – 2021
- Autopilot sensor (Raymarine EV-1 sensor core) – 2021.
- AIS (Raymarine AIS 700 Class B transceiver with GPS antenna) – 2021.
- Instruments (Raymarine i70s multifunction instruments) – 2021.
- 2 x Instruments (Raymarine ST60 multifunction).
- 3 x Instruments (Raymarine ST60 instruments, wind, depth and speed).
- Navtex (Furuno NX300).
- VHF (Raymarine Ray 73 with automatic fog signalling, loudhailer, DSC and AIS receiver) – 2021.
- Additional VHF handset (Raymarine RayMic) – 2021.
- WiFi / Router (RedPort Halo Pro Dual-band long range marine WiFi extender with Optimizer router) – 2022.

DOMESTIC EQUIPMENT**Galley:**

- Stove (GN Espace) 2 burners with oven.
- Fridge box.
- Freezer box.
- Microwave oven.
- Washing machine (Euronova).

Heating & Ventilation:

- 2 x Eberspracher diesel heaters with thermostats- outlets in all cabins, saloon and both heads.

Entertainment:

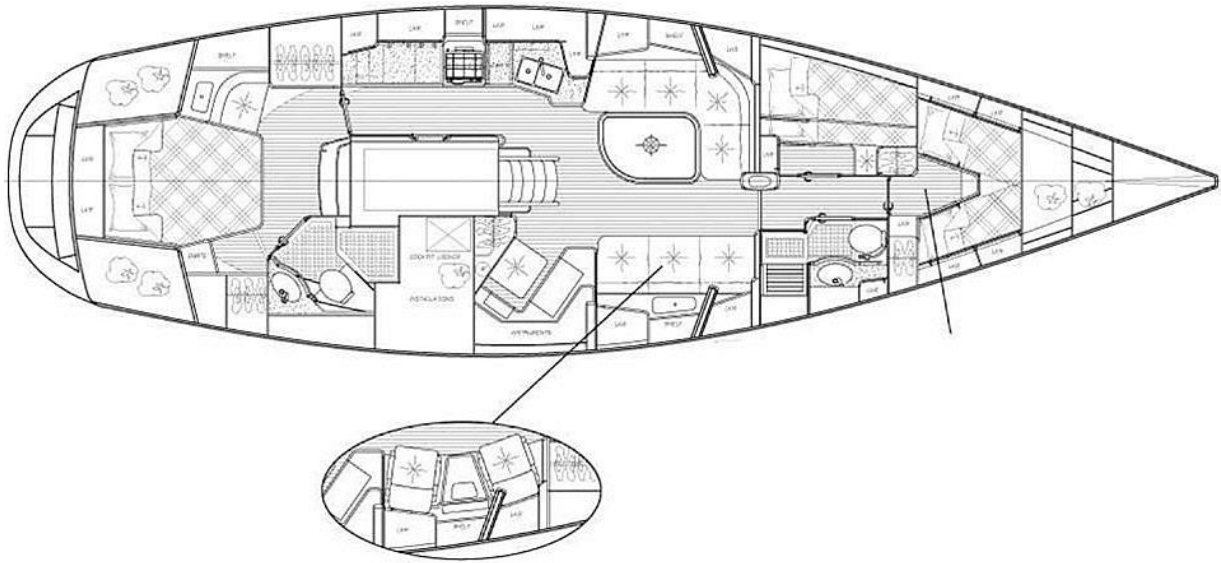

- Stereo.
- Speakers in saloon.
- Speakers in the cockpit

ACCOMMODATION**Summary of Accommodation:**

- 6 berths in 3 cabins.
- Handmade interior of mahogany.
- Inspection hatches in floorboards.
- White ceiling panels with mahogany inlay.
- Sky screens in cabins.
- Net curtains in cabin portlights.
- Red colour night lights.
- Ship barometer (Stockburger)
- Ship thermometer / humidity meter (Stockburger)

Internal Layout:

NB! In LAHAINA's saloon there is a sofa to port and two comfortable chairs to starboard.

Description of layout from forwards:

Forward Guest Cabin:

- V-berth.
- 2 x lockers.
- Plenty of cupboards.
- USB outlets.

Forward Heads / Shower:

- Corian countertop and floor board.
- Electric toilet.
- Separate shower compartment.
- Teak seat in the shower.

Forward Port Guest Cabin:

- Bunk beds.
- Locker with shelves.
- Hanging locker.
- USB outlets

Saloon:

- L-shaped sofa to port.
- Fixed saloon table.
- 2 x comfortable chairs to starboard.
- Plenty of cupboards and storage space.

Navigation Area:

- Navigation table.
- Comfortable chair.
- Chart table.
- Electric switch board.

- Space for instruments.
- Hanging locker.
- USB outlets.

Galley:

- Corian galley worktop.
- Twin sinks.
- Single lever fresh water mixer.

Owner's Aft Cabin:

- Centre double berth.
- En suite heads with separate shower compartment, perplex doors.
- Electric toilet.
- 2 x portlights in the stern.
- Seat beside the berth.
- Wall mounted flatscreen TV
- Cupboards and hanging lockers.
- Hella electric fans x 2
- USB outlets.

DECK EQUIPMENT

Rig:

- All standing and running rigging completely replaced – 2023/07.
- In-mast furling (Seldén) - serviced 2023/07.
- Furler for genoa (Seldén) - serviced 2023/07.
- Furler for inner fore sail (Seldén) - serviced 2023/07.
- Hydraulic ram for baby stay - serviced 2020.
- Hydraulic tensioner for back stay – serviced 2020.
- Hydraulic boom vang.
- Blocks with cleat for running back stays.
- 2 x Halyard tensioners at the mast with aluminium covers.
- Windex.
- Flag halyards.
- Tri color / Anchor light (Hella LED) – 2018.
- 2 x Deck lights.
- Loud hailer – 2022.

Winches:

- 2 x Electric winches, stainless steel (Andersen 68 FT).
- 1 x Electric winches (Andersen 52 FT).
- 1 x Manual stainless steel (Andersen 52 FT).
- 2 x Manual winch, stainless steel (Andersen 46 FT).

Sails:

- Mainsail UK sails Dyneema halyard.
- Genoa UK sails 140% Dynema halyard.
- Jib UK sails.

General:

- Stainless steel solar arch, custom built, with 3 x solar panels (1200 watt total) incorporating tender lifting davits and 'G&T' seats plus solid stainless steel rails to port and starboard gates.
- Deck gear (Lewmar).
- Line clutches (Spinlock).
- Spinnaker boom with mast mounted lifting winch.
- Large sail locker on forward deck.
- Besenzoni hydraulic gangway with remote control.
- Aft deck shower.
- 2 x Pushpit "G&T" seats.
- 2 x Aft deck storage lockers.
- Deck mounted navigation lights.
- Swim ladder

Cockpit:

- High gloss varnished entrance, instrument panel and chart table with integrated grab rails.
- Foldable cockpit table.
- Steering wheel, stainless steel, covered with elk skin.
- Stainless steel grab rail at the pedestal.
- 1 x twin USB outlet.
- 1 x 12 V outlet.
- Large cockpit locker.
- Teak seating and floor duckboards.

Skylights, Portlights & Windows:

- Fixed windscreen, aluminium frame.
- Grab rails outside windscreen (stainless steel).
- 5 x Lewmar hatches. New acrylic and new seals – 2023/08.
- 6 x Dorado vents and stainless steel protection bars.
- Lewmar Portlights. New acrylic and new seals august 2023.
- Fixed portlights in the stern.

Anchoring & Mooring Equipment:

- Rocna 55 galvanised anchor.
- Stainless steel anchor chain approx. 40m.
- Wired remote control.
- 4 x cleats, stainless steel.
- 4 x spring cleats, stainless steel.
- Protection bars at all cleats, gates and outside teak foot rail.
- 2 x Life line gates.
- Mooring lines.
- Fenders.

Covers, Canvas & Cushions:

- Sprayhood on stainless steel frame with grab handle – 2022.
- Cockpit cover to completely enclose cockpit.
- Bimini cover with extension and side covers.

Tender & Outboard:

- Dingy (Seago 2.7m with seat and storage bag) – 2023/08.

- Outboard (Mariner / Mercury 6 HP 4 stroke) – 2023/11.

SAFETY EQUIPMENT

- Liferaft (Seago 6 man ocean rated) – 2023/08.
- Jon Bouy automatic Dan buoy and horseshoe – 2023/08.
- MOB sling.
- Various EPIRB's by arrangement.

Fire-Fighting Equipment:

- Fire extinguishers throughout the yacht - 2023
- Galley fire blanket.
