Beam	11'6" / 3.5m
Draft	5'3" / 1.6m (shallow draft)
Displacement	7,500kg / 16,535lb
Hull Material	GRP
Engine	1 x Volvo Penta MD22L, 48hp
Builder	Najadvarvet AB
Designer	Najadvarvet AB
Accommodation	4+2 berths in 2 cabins & saloon

BROKER'S COMMENTS

The Najad 361 is a successful model from the well-known yard based on the Island of Orust on the Swedish west coast. A total of approximately 135 hulls of this model were manufactured between 1994-2001.

The Najad 361 is built with an integrated swim platform in the stern, a small wing profiled lead keel which is bolted to a deep bilge, a skeg hung rudder and a solid sandwich constructed hull and deck. The well protected centre cockpit is rather deep with comfortable seats/backrests and a fixed windscreen. Most of the sail handling can be done from the cockpit. The Najad 361 is perfectly suited for both coastal and high seas sailing.

Najad 361, AQUA WITT was presented by the yard at the boot Düsseldorf show in 1997 and was delivered to her first owner in the summer of 1997. AQUA WITT has been sailed in Scandinavian waters by Swedish owners ever since. The current and fourth owners bought the yacht from Berthon Scandinavia in 2015.

AQUA WITT offers a two cabin layout including an owner's aft cabin and a forward guest cabin. The longitudinal galley, head and navigation area are located directly at the entrance stairs. The high quality mahogany interior and the blue coloured upholstery is in good condition for her age. The in-mast furling system makes sail handling easy and safe for all and especially when sailing with a small crew.

AQUA WITT is fitted with a shallow draft keel providing 1.6m draft, which makes it possible to access hidden anchorages and explore the European channels.

If you are looking for a well-kept and solid built centre cockpit yacht, capable of taking you anywhere in style and comfort, AQUA WITT might be the right yacht for you.

Key Facts

- Sleep 4+2 persons in 2 cabins + saloon sofas.
- In-mast furling.
- Andersen winches.
- Gennaker.
- Volvo Penta MD22L, 48 hp.
- Bow thruster.
- 320Ah service batteries.
- 230V inverter.
- Plotter – 2016.
- Radar – 2016.
- Autopilot.
- AIS.
- Corian worktop in galley.
- Electric toilet – 2023.
- Diesel heater – 2016.
- Bow- and Stern windlass with anchor chain and Bruce anchors.

CONSTRUCTION

RCD Status: Our understanding is that the yacht is exempt from the essential safety requirements of the Recreational Craft Directive as she was built and placed into use within the EU prior to 1998.

Hull, Deck & Superstructure Construction:

- White coloured hull with red trim lines.
- Integrated rubbing strake.
- Hull and deck in GRP sandwich material.
- Single laminate in high stress areas.
- Epoxy primer under water line.
- Teak laid on deck, coach roof, cockpit and swim platform.

Keel & Rudder:

- Skeg hung semi-balanced rudder.
- Lead keel with small wing profile bolted to deep bilge.
- Shallow draft approx. 1.6m.

MACHINERY

Engine & Gearboxes:

- 1 x Volvo Penta MD22L, 48hp.
- Flexible shaft coupling (Aqua Drive) – 2017.
- Additional engine room insulation.
- Engine last serviced: 2024.

Propulsion & Steering:

- 3-blade fixed propeller.
- Rope cutter on propeller shaft.
- Bow thruster 7hp (Side Power).
- Steering wheel, stainless steel, leather covered.
- Wire steering system.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12VDC.
- 220VAC.

Battery Banks:

- Start battery 12V / 80Ah (Varta).
- Service batteries 12V / 320Ah (Tudor) – 2017.

Battery Chargers:

- Battery charger 230V / 25A (Philippi).
- Solar panel 12V / 100W.

Alternators:

- 14V / 60A.
- Voltage regulator (Sterling Pro).

Shore Power:

- 230V shore power system with earth fault breaker and shore power cable.

Other Electrical:

- Battery control panel (Odelco).
- Inverter.

PLUMBING SYSTEMS**Fresh Water & Water Heating System:**

- Fresh water pump 12V, constant pressure.
- Hot water boiler approx. 20L (Sigmar) – 20XX.
- Hot water is heated by engine cooling water and/or by shore power.

Bilge Pumps:

- Electric bilge pump 12V.
- Manual bilge pump.

TANKAGE**Fuel:**

- Fuel capacity approx. 220L.
- Stainless steel tank.

Fresh Water:

- Fresh water capacity approx. 280L.
- Stainless steel tank.

Grey/Blackwater Holding Tanks:

- Black water capacity approx. 110L.
- Stainless steel tank.
- Sea and deck evacuation.
- Manual drain pump for sea evacuation.
- Tank meter (Globius) – 2015.

NAVIGATION EQUIPMENT

- MFD (Raymarine e127) – 2016.
- MFD (Raymarine e7) – 20XX.
- Radar (Raymarine Quantum Q24C), cardan-mounted on aft stay – 2016.
- Wind instrument (Autohelm).
- Speed instrument (Autohelm).
- Depth instrument (Autohelm).
- Autopilot (Raymarine ST6002) with course computer and electric ram.
- Autopilot remote control (Raymarine ST1000+).
- AIS transponder (Raymarine 650).
- VHF / DSC (Simrad R87), two stations.
- Radar reflector, passive (Echomax).

DOMESTIC EQUIPMENT

Galley:

- White coloured gally work top in Corian material.
- Gas stove, 3 burners and oven.
- Fridge approx. 100L, 12V compressor, additional insulation.
- Twin sinks, stainless steel.
- Fresh water mixer tap.
- Soap dispenser.
- Micro 230V (Whirlpool).
- Gas bottle.

Heads/Shower:

- Light grey coloured bench top in Corian material.
- Light grey coloured floorboard in Corian material.
- Fresh water mixer tap.
- Soap dispenser.
- Shower mixer with hose and nozzle – 2015.
- Shower discharge pump 12V.
- Toilet 12V (Jabsco Quiet Flush) – 2023.
- Toilet flush water pump (Jabsco 31331) – 2023.

Heating & Ventilation:

- Diesel heater (Eberspracher Airtronic D4, 12V) – 2016.
- Heat outlet in all cabins, saloon and head.
- 2 x Dorade valves.
- Opening portlights and skylights.

Entertainment:

- Stereo (Pioneer TS-876) – 2022.
- TV 22" (Samsung).

Lighting:

- LED lightning with dimmers.
- 9 x Reading lights.
- Kerosene lamp (Stelton).

ACCOMMODATION

Summary of Accommodation:

- Sleep 4+2 persons in 2 cabins + saloon sofas.
- Handmade interior in selected mahogany, varnished to a satin finish.
- Blue coloured upholstery – 2015.
- Sprung mattress in aft cabin.
- Darkener/mosquito net at all skylights (Ocean Air).
- Ship clock and barometer (Pilot Marine).
- Lee cloth for saloon sofas.

Internal Layout:

Description of layout from forwards:

- Forward cabin (H=191cm) with double berth (L=205cm, W=195cm), plenty of storage space in wardrobes, cupboards and shelves.
