

Bavaria Vision 42 > SIRIUS

Price	SEK2,490,000 EU VAT paid
Location	Lisbon, Portugal
Year	2019
LOA	42' / 12.8m
LWL	37'5" / 11.4m
Beam	13'3" / 4.05m
Draft	5'8" / 1.72m
Displacement	9,800kg / 21,605lb
Hull Material	GRP
Engine	1 x Volvo Penta D2-50, 51hp
Builder	Bavaria Yachts
Designer	Farr Yacht Design
Accommodation	7 berths in 2 cabins & saloon

BROKER'S COMMENTS

When Bavaria Yachts, one of the world's largest shipyards, decided they wanted to offer something new to the market, they went about it very thoroughly. In close collaboration with sailors from all over the world, the Vision series was created. The results were boats with a completely new design, both on the outside and inside. The world's leading design company, Farr Yacht Design, has very skillfully managed to create a good sailing yacht that is optimized for a comfortable life on board and long sailing trips.

Bavaria Vision 42 has two large cabins. In the bow the owner-cabin has a large double bed and en-suite toilet. The guests get their own cabin in the stern with a generously sized bed that can be divided into two or left as a king-size. Thanks to its layout, large windows and many deck hatches, the saloon is very bright and spacious. There is also great flexibility and with the help of the electrically adjustable table, you can convert the sofa into an extra bed. Even the double armchairs in the navigation area can be converted into sofas. The galley is split and provides very good support at sea and has good access to the fridge and freezer. On the starboard side you have a large toilet with a separate shower. Aft of this is a large stowage space that can also be accessed via the bench in the cockpit. The Vision series is created for an owner couple with their family or friends. You manage the sailing easily from one of the steering positions with ergonomic and well-thought-out placement of winches. The table in the cockpit is easily adjusted at the push of a button and guests can enjoy comfortable sofas or a large sun bed. In the stern, you can fold down the bathing platform and enjoy the sea.

Bavaria Vision 42, SIRIUS, is in excellent condition. She is very well equipped and features, among other things, a bow thruster, in-mast furling system, and the larger engine—everything to make sailing and handling as easy and safe as possible.

Her owner is sailing her from Sweden to Spain, and for this journey she was upgraded with a custom-made stainless steel targa arch with solar panels and davits, a lithium battery bank, a new inverter, and a watermaker. Below deck, she has been enhanced with a teak interior and all cabins are fitted with comfortable mattresses. The cockpit is fully cushioned, and the sprayhood features stainless steel frames and a grab rail. For colder days, there is a cockpit tent that can easily be converted into a Bimini for warmer conditions. Teak decking is fitted in the cockpit and on the bathing platform.

Are you dreaming of a sailing life in the Mediterranean or crossing the Atlantic? Here is the perfect choice for you.

The owner is currently sailing her along the Atlantic coast, and viewings can be arranged by appointment.

Key Facts:

- Furling mast from Seldén Mast.
- Large engine D2-50.
- 3-blade folding propeller.
- Shallow draft keel.
- Bow thruster.
- Targa arch with davits, stainless steel – 2025.
- Lithium batteries – 2025.
- Watermaker – 2025.
- Battery charger/inverter from Victron Energy – 2025.
- Electric windlass in bow.
- Navigation system from B&G.
- Interior in teak.

- Sleep 7 persons in 2 cabins and saloon.
- Upgraded mattresses with cold and memory foam.
- DeLuxe lighting package.
- Electric adjustment for table in saloon and cockpit.
- Full package with cushions for cockpit.
- Cockpit canopy/bimini.
- Extra water tank.
- Heater.
- Teak at bathing platform and in cockpit.
- Winter storage indoors.

OWNER'S COMMENTS

SIRIUS has been an exceptional yacht for us and has proven herself to be both comfortable and remarkably capable for long-term cruising and extended voyages. She combines the sailing performance and practicality of the Bavaria Vision series with a number of thoughtful upgrades that make her especially well suited for comfortable and independent cruising.

Since taking ownership, SIRIUS has carried us safely through many memorable journeys along the European coastline, including the passage from Sweden to Spain. Whether underway offshore, anchored in quiet bays, or enjoying life in marinas, she has always felt safe, spacious, and easy to handle.

One of the things we have appreciated most is how well balanced and manageable she is under sail. The furling rig, bow thruster, and larger Volvo Penta engine make handling simple even for a couple, while the bright and open interior creates an atmosphere that is both practical and welcoming.

We have also greatly appreciated owning a relatively modern yacht that has never been used in charter service, but only privately owned and carefully maintained throughout her life. This is reflected in her overall condition, onboard atmosphere, and the way she feels both under sail and below deck.

Ahead of our voyage south, SIRIUS was significantly upgraded to support comfortable long-term cruising and greater onboard independence. A custom-built stainless steel targa arch with integrated davits and solar panels was installed, together with a substantial lithium battery bank and a Victron inverter system. These upgrades transformed the onboard electrical capacity and made everyday life at anchor considerably more comfortable and self-sufficient. A watermaker was also installed, further enhancing her capability for extended cruising.

SIRIUS has been continuously cared for and upgraded throughout our ownership and remains in excellent condition. She is a yacht equally suited for Mediterranean cruising, Scandinavian waters, or longer offshore adventures, including Atlantic crossings.

For anyone dreaming of a comfortable and capable cruising yacht with modern upgrades and proven cruising history, SIRIUS represents a rare opportunity.

CONSTRUCTION

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC or RCDII (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised A – “Ocean” (or Cat B – whichever is appropriate)

Hull, Deck & Superstructure Construction:

- White hull and deck in GRP.
- Dark grey trim lines.
- Teak toe rail.
- Teak in cockpit and bathing platform.
- Antifouling, dark grey.
- Targa arch incl. davits, custom made in stainless steel – 2025.

Keel & Rudder:

- Spade rudder.
- Cast iron keel, shallow draft.

MACHINERY

Engine & Gearboxes:

- Volvo Penta D2-50, 51hp approx.
- Engine hours - 910 hours.
- S-Drive.

Propulsion & Steering:

- 3 blade folding propeller (Gori).
- Bow thruster (Side-Power SE100).

ELECTRICAL SYSTEMS

Voltage Systems:

- 5 x 220V outlets in saloon, cabins, galley and navigation area.
- 2 x 12V outlets at navigation area.

Battery Banks:

- Lithium service batteries, 8 x 125Ah (LiLead) – 2025.
- Service battery 100Ah – 2025.
- Bow thruster battery.
- Start battery AGM 1 x 70 Ah.

Battery Chargers:

- 220V Battery charger 12V/40 Ah.
- 220V Battery charger/inverter, Victron multiplus 12/3000/120 (Victron Energy) – 2025.
- DC/DC Orion XS 50Ah (Victron Energy) – 2025.

Shore Power:

- 220V shore power system with earth fault breaker and cable.

Other Electrical:

- Inverter.

- Solar panels, 4 x 200W (Sunwind) – 2025.
- Battery monitor system (Victron Energy) – 2025.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- 20 Litre hot water tank (Quick Boiler).

Watermaker:

- Watermaker, 230V, approx. 30L/hrs (MAB Watermaker) – 2025.

Bilge Pumps:

- Electric bilge pump.
- Manual bilge pump.

TANKAGE

Fuel:

- Total fuel capacity of 210 litres.

Fresh Water:

- Fresh water capacity of 360 litres.
- Extra 150 litre tank.

Grey/Blackwater Holding Tanks:

- 2 x Blackwater tanks.

NAVIGATION EQUIPMENT

- 2 x Compass.
- 1 x MFD 7" Zeus3, GoFree & Wi-Fi (B&G).
- 2 x Triton display (B&G).
- DST800 transducer for speed, wind, depth and temp.
- Charts for Swedish west coast and Denmark.
- Autopilot with remote control (B&G).
- VHF V50 + H50 wireless (B&G).
- AIS receiver.

DOMESTIC EQUIPMENT

Galley:

- Fridge with top and front opening.
- Freezer.
- Gas stove with 2 burners and oven.
- Induction hob, portable – 2025.
- Airfryer, portable – 2025.

Heads/Showers:

- 2 x Marine toilets.

Heating & Ventilation:

- Diesel heater (Eberspächer D5), outlets in salon, cabins and heads.

Entertainment:

- TV 32", 12V.
- Stereo with DVD (Fusion MS AV755).
- 2 x Speaker in saloon.
- 2 x Speakers in cockpit.

Lighting:

- DeLuxe lighting package incl curtesy lights and LED stripes.
- Reading lights in cabins.

ACCOMMODATION

Summary of Accommodation:

- 7 berths in 2 cabins + saloon.
- Interior in teak.
- Chestnut floorboards.
- White ceiling.
- Blinds for hull windows.

Internal Layout:

Description of layout from forwards:

Forward Cabin with En-suite Bathroom:

- Double berth.
- Upgrade mattresses, cold foam and top with memory foam.
- 1 x Wardrobe with hanger and shelves.
- 2 x Shelves.
- 2 x Hull windows.
- Reading lights.
- Skylight.

- Blinds at all portlights and skylights.

Forward Bathroom:

- Marine toilet.
- Wash basin.
- Cupboards.
- Mirror.
- Skylight.

Saloon:

- L-shaped sofa on starboard side.
- Upholstery in sand.
- Electric adjustable saloon table.
- Convertible sofa to double bed.
- Cupboards for storage.
- Hull windows.
- Portlights and skylights.
- Blinds at all portlights and skylights.
- Stainless steel grab handles in the ceiling.
