

Cranchi Zaffiro 34 > DOLPHYNO

Year	2005
LOA	36'9" / 11.21m
Beam	11'6" / 3.51m
Draft	2'10" / 0.86m
Displacement	6,300kg / 13,889lb
Hull Material	GRP
Engine	2 x Volvo Penta D4-260 EVC, 260hp
Builder	Cantiere Nautico Cranchi s.r.l., Italy
Designer	Aldo Cranchi
Accommodation	4 berths in 2 cabins

BROKER'S COMMENTS

The Cranchi Zaffiro 34 is a well proven Italian sports cruiser that successfully combines performance, comfort and practicality in a manageable package. Offering generous outdoor living spaces, comfortable accommodation and efficient diesel performance, it remains a highly desirable choice for family cruising, weekends away and extended holidays. Built by the respected Italian boatbuilder Cranchi, the model has earned a reputation for dependable handling, practical design and enduring appeal.

DOLPHYNO is a well-equipped and well-maintained example, powered by twin Volvo Penta D4-260 EVC diesel engines with approximately 620 engine hours. Both engines received a full service in 2026, drive belts were replaced and the starboard forward propeller was professionally reconditioned.

Over the years, DOLPHYNO has been continuously upgraded, with numerous improvements enhancing both onboard comfort and reliability. Air conditioning, diesel heating, solar panels, inverter and upgraded electrical systems provide excellent comfort whether in a marina or at anchor, while twin Garmin chartplotters, radar, bow thruster and electric windlasses in both bow and stern make handling and navigation straightforward.

The spacious cockpit is designed for socialising, featuring teak decking, a large U-shaped seating area, wet bar and generous bathing platform. A full cockpit enclosure extends the boating season and provides excellent protection when needed. Both the cockpit and interior have been well cared for and remain in good condition for their age.

Below deck, the warm cherry wood interior offers comfortable accommodation for up to four guests. The forward owner's cabin features an island double berth, while the mid cabin provides a second double berth together with a comfortable armchair. A well-equipped galley, separate shower compartment and practical layout make the boat equally suited to extended weekends and longer cruising holidays.

DOLPHYNO is ready to be enjoyed by her next owners from day one.

Please do not hesitate to contact the broker for further information or to arrange a viewing.

Key Facts:

- Volvo Penta D4-260 EVC diesel engines.
- DPH sterndrives with hydraulic trim tabs.
- Accommodation for up to four in two cabins.
- Air conditioning and diesel heating.
- Bow thruster.
- Bow and stern electric windlasses.
- Solar panels and upgraded electrical system with inverter.
- Twin Garmin chartplotters.
- Radar.
- VHF.
- Electric WC and separate shower compartment.
- Powerful soundsystem with subwoofer and amplifier.
- Full cockpit enclosure.
- Teak cockpit and Flexiteak bathing platform.
- Cherry wood interior throughout.

OWNER'S COMMENTS

We searched for the right boat for quite some time. The moment we stepped aboard, we knew this was the one. The Cranchi has proven to be the perfect boat for both day trips and extended cruising. With the solar panels and the generously sized freshwater tank, you can remain at anchor for long periods without needing to replenish your supplies.

CONSTRUCTION

CE Design Category B

Hull, Deck & Superstructure Construction:

- White gelcoat hull and superstructure with rubbing strake.
- Hull and deck constructed in GRP.
- Engine beds are integrated into the hull moulding.
- Structural separation between engine compartment and accommodation spaces.
- The engine compartment is fitted with acoustic insulation panels.
- Teak-laid cockpit and Flexiteak on bathing platform and transom.
- High freeboard and side decks for safety and dryness underway.
- Stainless steel guardrails around the deck and side deck.
- Stainless steel bow pulpit with grab rail.
- Stainless steel framed windscreen with tempered safety glass.
- Full cockpit enclosure connected to fixed GRP Radar arch.
- 3 x Opening deck hatches.
- 6 x Oval portlights.
- Black antifouling (Jotun) – 2026.

MACHINERY

Engine & Gearboxes:

- 2 x Volvo Penta D4, 520hp.
- 2 x Volvo Penta DPH sterndrive.
- Volvo Penta EVC electronic engine management and control system.
- Twin-lever throttle and shift controls at helm.
- 2 x Volvo Penta fuel separators/water pre-filters.

Maintenance & Performance:

- Engine hours approx. 620 @ June 2026.
- Engines are serviced on a regular basis.
- Cruising speed @ approx. 27 knots. Fuel consumption approx. 45-55 L/h
- Maximum speed: approx. 35 knots.
- Estimated range: approx. 250 nm at cruising speed with 15% reserve (570L tank).
- Figures are estimates based on owner data and available published data. Actual consumption will vary with load, sea state and trim.

Propulsion & Steering:

- Volvo Penta EVC (Electronic Vessel Control) system.
- 2 x Volvo Penta DPH sterndrives with Duoprop counter-rotating propellers.

- Starboard forward propeller reconditioned 2026.
- Propeller in Nibral.
- Hydraulic steering.
- Hydraulic trim tabs.
- Bow thruster with helm push-button control (QL).
- Electronic drive trim controls at helm.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12V DC.
- 230V AC system.
- DC control panel with individual circuit breakers with battery monitor.
- 2 x 230V outlets cabins and saloon. (From shore power or by inverter).
- 3 x 12V outlets.
- Shore power inlet: 32A / 220V / 50Hz.

Battery Banks:

- Service batteries 255Ah, 3 x 12 V 85Ah (GEL Exide ES950) – 2017.
- Engine starting batteries 210Ah, 2 x 12V x 105Ah (AGM, Optima) – 2024.

Battery Chargers:

- 1 x Battery charger 1 x 12V / 25A (CTEK M300).
- 1 x Battery charger 1 x 12V / 4A (CTEK MXS 3.8).
- 2 x 180w flexible solar panel with 2 x regulators (Victron MPPT).

Alternators:

- 2 x Alternator 12V/115A.

Other Electrical:

- Inverter 230V / 12V / 1700W (Nedis).

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Hot / cold pressurized fresh water to galley, head, wetbar and shower at head and transom.
- Hot water boiler approx. 25 lit.
- 1 x 12V Fresh water pump.

Bilge Pumps:

- 2 x automatic electric bilge pumps in engine bay, one by float switch (automatic), one forced.

TANKAGE

Fuel:

- Fuel tank approx. 535L (single tank, diesel).

Fresh Water:

- Fresh water capacity approx. 190L with level sensor/gauge.

Grey/Blackwater Holding Tanks:

- Holding tank approx. 120L with level sensor/gauge.
- 3-way valve allowing discharge overboard or via deck pump-out.

NAVIGATION EQUIPMENT

- Magnetic compass with light.
- 2 x Garmin MFD chart plotters at helm: 7" and 5", (Garmin GPSMAP 722xs and Garmin Echomap 5").
- Radar (Garmin 18xHD), dome on arch.
- VHF (Raymarine, fixed mount at helm).
- Depth transducer / echo sounder (Garmin GT50M).
- Search light with electric pan function.
- Double signal horns in stainless steel, mounted in bow.

Other Equipment at Helm Position:

- Control for bow thruster.
- Control for both windlasses.
- Control for both horn and search light.
- Trip computer (Volvo Penta).
- Power trim assist (Volvo Penta).
- Engine monitoring instruments.
- Navigation lights.

DOMESTIC EQUIPMENT**Galley:**

- Gas stove, 2 burners and oven with electric ignition.
- Front loaded fridge with compressor and freezer compartment, 12 V (Isotherm).
- Round stainless steel sink with single mixer tap.
- Blue granite-effect worktop and Cherry wood cabinetry with roller-blind closure.
- Microwave oven (Whirlpool), only by shore power.
- Carbon monoxide and LPL gas detector.

Heads/Shower:

- 1 x Electrical toilets (Dometic Master flush).
- 1 x Wash basin with mixer tap for hot and cold pressurized freshwater.
- 1 x Shower in head with shower curtain.
- 1 x 12V Shower drain pump.
- Round washbasin in stainless steel.
- Storage lockers and mirror.
- Black water gauge.

Heating & Ventilation:

- Diesel heater (Eberspächer D4 Airtronic) with outlets in all accommodation spaces and cockpit.
- Air condition (Condaria) with both cooling and heating. Only through shore power.

Entertainment:

- CD/Bluetooth (Alpine) with separate amplifier (Phoenix Gold power).
- Speakers (Alpine) in cockpit and saloon and subwoofer (Pioneer) in cockpit.

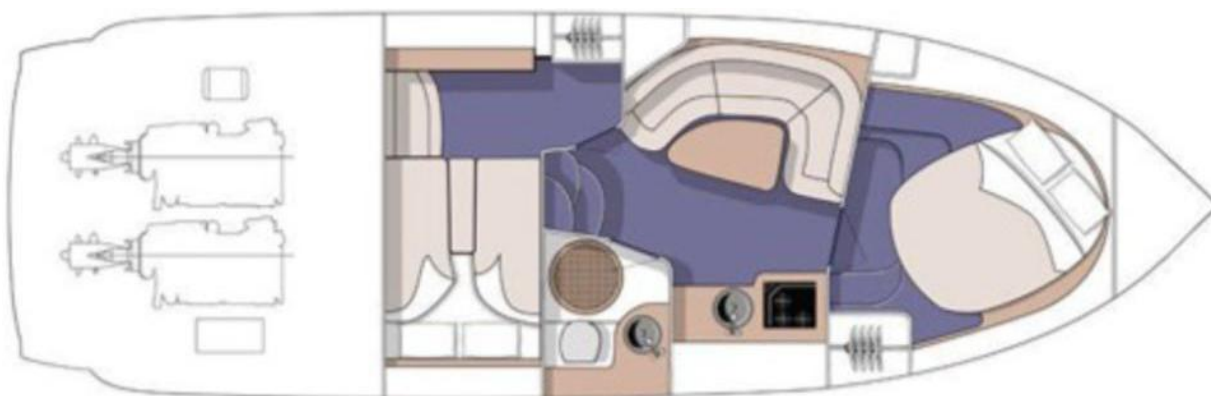

- Flat-screen TV with DVD (LTC), wall-mounted in saloon.

ACCOMMODATION

Summary of Accommodation:

- 2 cabins, 4 berths. 1 heads compartment.
- Cherry wood joinery and cabinetry throughout.
- Cream/beige upholstery.
- White inner liner.
- Varnished floorboards with white inlaid holy stripes.
- Dark blue carpet on cabin sole.
- U-shaped saloon dinette.
- Lacquered cherry wood pedestal table.
- Galley to starboard.
- Generous stowage throughout boat.
- Forward cabin with large island double berth, opening deck hatch, wardrobe and drawers.
- Mid-cabin with twin berths convertible to double, opening portlight, wardrobe and armchair.
- Downlights and reading lights throughout the interior.

Internal Layout:

COCKPIT

- Cockpit with Large U-shaped social area seating 6–8 persons convertible to sunbed.
- Wetbar with refrigerator and sink.
- Teak cockpit sole panels with stainless hatch pull-rings and storage access below.
- Single pilot seat (captain's chair) and helm to starboard.
- 3 x Gas bottle in ventilated locker with isolation valve.
- Transom gate providing access to the integrated swim platform.
- Fixed windscreen with wipers.
- Stainless steel handholds.
- Self-draining cockpit.
- Shower at the swim platform, hot and cold water.

DECK EQUIPMENT

Anchoring & Mooring Equipment:

- Bow: Electric windlass (Lofrans), stainless steel anchor (Delta 17kg), 8mm galvanized chain.
- Controlled by wireless remote control and control from helm position.

- Stern: Electric windlass (Ocean comfort), stainless steel anchor (Safequip 15kg), 7mm stainless chain.
- Controlled by wireless remote control, joystick on transom or control from helm position.
- 6 x Stainless steel deck cleats.
- Fenders and mooring lines.

Covers, Canvas & Cushions Winter Storage:

- Full cockpit enclosure, grey canvas with clear vinyl panels.
- Harbour cover.
- Cockpit cushions in beige.
- Cushions for front deck / sunbed.
- Winter cover frame (NOA) with tarpaulin and a set of boat support stands.

SAFETY EQUIPMENT

Fire-Fighting Equipment:

- 3 x Fire extinguishers.
- Automatic fire extinguishing system in engine compartment.
- Smoke detector in saloon.
