Draft	5'10" / 1.79m
Hull Material	GRP
Engine	1 x Yanmar 3JH4E, 39hp
Builder	Malö Yachts AB
Designer	Leif Ängemark
Accommodation	4 + 2 berths in 2 cabins + saloon

BROKER'S COMMENTS

The Malö 36 Classic is a well-crafted, ocean-capable yacht from one of Sweden's most respected yards. Designed for serious cruising, she offers exceptional comfort and safety for couples or families who enjoy extended time on board – whether at sea or at anchor.

The spacious aft cockpit is designed for both functionality and comfort, with a practical folding table and a full cockpit canopy that's easy to deploy. A fixed windscreen combined with the sprayhood ensures excellent protection from wind and spray, which makes sailing in all weathers a pleasure.

The interior is warm and inviting, beautifully finished in mahogany with Malö's renowned craftsmanship. The layout includes two comfortable double cabins, a generous saloon with opposing settees and a fold-out dining table. The well-equipped galley is located to port of the companionway, while the navigation station and head with separate shower are conveniently to starboard.

Throughout the yacht, storage is thoughtfully designed and impressively spacious.

SILVANA is fitted with reliable and well-maintained technical systems including a bow thruster, autopilot, and Raymarine navigation. Propulsion is provided by a dependable Yanmar 39hp engine with shaft drive.

SILVANA is a fine example of this popular model and she is in good condition. This is the Classic version, which provides her with an attractive aft deck and excellent storage space. The yacht measures nearly 39 feet, making her likely the largest '36-footer' on the market... She features a furling mainsail and four Andersen winches for efficient sail handling. The mainsheet track is elegantly placed on the signature Malö targa arch – keeping the cockpit uncluttered and safe.

Key Facts:

- Furling mast from Seldén Mast.
- Furling main sail – 2012.
- Furling genoa – 2009.
- 4 x Andersen winches.
- Harken deck equipment.
- Yanmar 39hp.
- Fuel pre filter.
- Bow thruster.
- Electric windlass in bow.
- Electric windlass in stern – 2025.
- Raymarine navigation equipment.
- Autopilot.
- Navtex.
- Bathing platform – 2025.
- Teak deck in good condition for her age.
- Professional service and maintenance at Orust Yacht Service.
- Winter stored indoor in heated shed.

OWNER'S COMMENTS

We have had a wonderful time with SILVANA. She has truly taken good care of us, and we've especially appreciated the sense of safety on board. Everything works as it should, and we continue to be impressed by the fine craftsmanship delivered by the yard. Malö Yachts truly knows how to design and build a boat that meets the demands and wishes we've had.

Sadly, the time has come for us to leave the sailing life behind. We now look forward to handing over SILVANA to a new crew, and we know they will enjoy many unforgettable moments at sea.

CONSTRUCTION

RCD Status: The yacht conforms with the essential safety requirements of Directive 94/25EC or RCDII (2013/53/EU as appropriate (Recreational Craft Directive) and is categorised A – "Ocean" (or Cat B – whichever is appropriate)

Keel & Rudder:

- Integrated lead ballast keel of 3,1 ton.
- Skeg hung rudder.
- Stainless steel rudder shaft.

MACHINERY

Engine & Gearboxes:

- 1 x Yanmar 3JH4E, 39hp, no engine hrs meter.
- Fuel pre filter (Separ).
- Mechanical gear box (KM).

Maintenance & Performance:

- Engine serviced annually.

Propulsion & Steering:

- Shaft drive.
- 30 mm stainless steel shaft.
- Flexible shaft coupling (Aqua Drive).
- 3-blade folding propeller (Flexofold) – 2016.
- Bow thruster (Sleipner SE 80/185T).

ELECTRICAL SYSTEMS

Voltage Systems:

- 12V.
- 230V.

Battery Banks:

- Start battery AGM 75Ah.
- Service batteries AGM 315Ah (3x12Vx105Ah).

Battery Chargers:

- 12V / 25A (Mastervolt).

Alternators:

- 12V / 80A.

Shore Power:

- 230V shore power, earth fault breaker, shore power cable.
- Galvanic insulator (Odello Zinc saver).

Other Electrical:

- Battery charge control (Mastervolt).
- Earth plate (Sea ground 2).
- Solar panel 50W, portable.

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Hot water boiler 25L (Isotemp), heated from engine and/or shore power.

Bilge Pumps:

- Manual bilge pump.

TANKAGE

Fuel:

- Diesel capacity approx. 235L.

Fresh Water:

- Fresh water capacity approx. 400L in two tanks.

Grey/Blackwater Holding Tanks:

- Black water capacity approx. 50L.

NAVIGATION EQUIPMENT

- Illuminated compass, Plastimo.
- Plotter (Raymarine 530 Plus 12").
- Autopilot (Raymarine ST6000).
- Wind instrument (Raymarine ST60).
- Log instrument (Raymarine ST60).

- Depth instrument (Raymarine ST60).
- Multi instrument (Raymarine ST60 Multi).
- VHF (Sailor A1).
- VHF speaker.
- GPS instrument (Raymarine RN300).
- GPS antenna.
- Navtex (Nav 6 plus).
- Kombi antenna (RR Pacific).

DOMESTIC EQUIPMENT

Galley:

- Gas stove, 2 burners and oven (SMEV).
- Fridge box approx. 80L, 12V compressor.
- Double sink.
- Fresh water mixer faucet.
- Fresh water pump, 12V.

Heads/Showers:

- Wash basin.
- Fresh water mixer faucet.
- Shower drain pump, 12V.
- Toilet (Raritan) – 2022.

Heating & Ventilation:

- Diesel heater with outlets in all cabins and head (Eberspracher D3L-C).
- 9 x opening portlights (Lewmar).
- 2 x opening skylights (Lewmar).
- New skylight in saloon – 2025.
- Dorade valve.

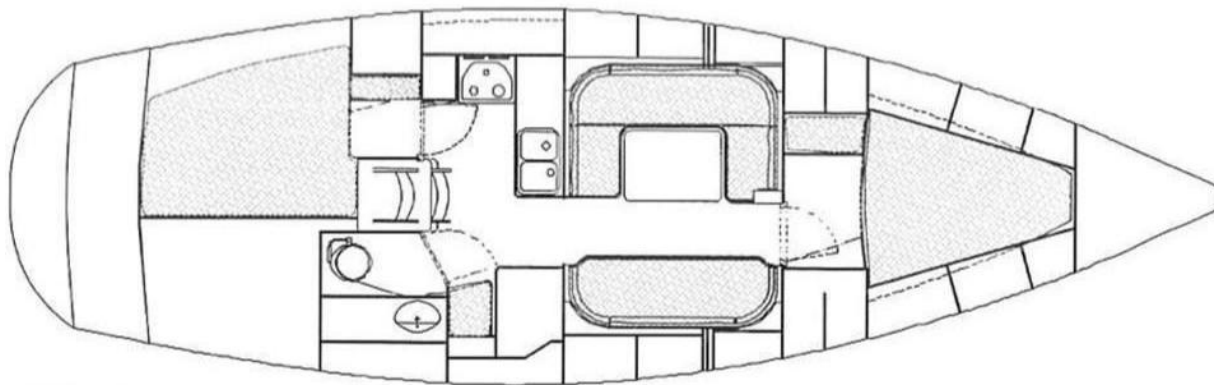

Entertainment:

- Stereo.
- 4 x speakers.
- TV 15", portable.

ACCOMMODATION

Summary of Accommodation:

- Sleep 4 persons in two cabins + 1 person in saloon sofa.
- Interior woodwork in varnished mahogany.
- Ceiling in white color with mahogany inlays.
- Blue colored cushions.
- Beige colored carpet.
