Agapi 950 > HATZELLE

Year	2015
LOA	32'10" / 10m
Beam	10' / 3.06m
Draft	1'6" / 0.45m
Displacement	2,200kg / 4,850lb (Hull Only)
Hull Material	GRP / Carbon Fibre
Engine	1 x Yamaha F350 V8, 350hp
Builder	Agapi Boating, Sweden (built in Poland)
Designer	Peder Asplund / Agapi Design
Accommodation	5 berths in 1 cabin + cockpit

BROKER'S COMMENTS

The Agapi 950 is a Swedish designed cabin RIB that combines offshore capability with practical accommodation and an unusually social deck layout. Conceived as a boat for both day boating and overnight adventures, she offers the performance and confidence of a serious RIB while providing the comfort and amenities normally associated with a much larger sports cruiser.

Designed in Sweden by Peder Asplund and built in Poland to a high standard of finish, the Agapi 950 is based around a deep-V GRP hull with a 24 degree deadrise at the transom. The hull planes from around 12 knots and delivers a composed, predictable ride in short and choppy seas. Powered by a Yamaha F350 V8 four stroke outboard, the largest recommended single engine installation for this hull, she offers strong performance while remaining straightforward and reassuring to handle. The large inflatable tubes contribute to excellent stability both underway and at rest.

Below deck, the cabin features a comfortable double V-berth and a wide single berth, providing comfortable sleeping accommodation for three adults. The spacious cockpit sunbed can be converted into an additional berth for a fourth adult. Families with children can accommodate up to six overnight guests, with two children sharing the single berth and two sleeping on the cockpit sunbed.

There is also a separate heads compartment equipped with an electric toilet, washbasin and mirror. A simple galley with a single-burner gas hob, sink and refrigerator provides the essentials for preparing light meals and enjoying weekends aboard.

On deck, the spacious aft cockpit forms the social heart of the boat. U-shaped seating accommodates up to eight people in comfort, while the helm and co-pilot seats swivel to face aft, creating an inviting entertaining area when at anchor. The full cockpit enclosure offers standing headroom throughout, significantly extending the boating season and increasing the practicality of the boat in northern climates.

The carbon fibre T-top, integrated Webasto diesel heating system with outlets in both the cabin and cockpit, Fusion audio system and generous storage further underline the versatility of the design. Winner of the Best of Boats Award, Best for Fun in 2015, the Agapi 950 remains an innovative and distinctive package for owners seeking a fast, capable and genuinely multi-purpose family boat.

Key Facts:

- Swedish designed cabin RIB with accommodation for up to 5 people.
- Yamaha F350 V8 four stroke outboard, 350hp.
- Deep V-hull with 24° deadrise, planes from approx. 12 knots.
- Maximum speed approx. 40 knots.
- Large social cockpit seating up to 8 people.
- Full cockpit enclosure with standing headroom.
- Carbon fibre T-top with downlights.
- Diesel heating system with outlets in both cabin and cockpit.
- New batteries - 2026.
- Separate heads compartment with electric toilet.
- Simple galley.
- Bow thruster.
- Chart plotter from Simrad.
- Premium sound system.
- Fuel capacity 300L.
- Best of Boats Award, Best for Fun, 2015.

CONSTRUCTION

CE Category C, 12 persons.

Hull, Deck & Superstructure Construction:

- White GRP hull, deep-V design with 24° deadrise at transom.
- Hand laminated GRP hull with extensive carbon fibre composite components.
- Inflatable Hypalon tubes in grey.
- Carbon fibre T-top with integrated grab rails and downlights.
- Flexiteek synthetic teak on foredeck, cockpit floor, bathing platform.
- Flush-fitting skylight hatch on foredeck.
- Opening portlight in heads compartment.
- Foldable bathing ladder integrated at stern.

MACHINERY

Engine & Gearboxes:

- 1 x Yamaha F350 V8 four-stroke outboard, 350hp, petrol – 2015.
- Yamaha Active single-lever throttle and shift control.
- Yamaha multifunction display (engine data, trim, fuel level etc.).
- Yamaha start/stop panel with ignition key.
- Power trim and tilt with trim gauge.

Maintenance & Performance:

- Engine hours, 403h @ June 2026.
- Engine is serviced in June 2026.
- Cruising speed: approx. 25–30 knots. Fuel consumption approx. 50–70 L/h.
- Maximum speed: approx. 40 knots. Fuel consumption approx. 100–130 L/h.
- Estimated range: approx. 100–150 nm at cruising speed (300L tank).
- Hull planes from approx. 12 knots.
- Figures are estimates based on engine manufacturer data and available test data. Actual consumption will vary with load, sea state and trim setting.

Propulsion & Steering:

- Hydraulic power steering.
- 3-blade stainless steel propeller.
- Yamaha power trim and tilt.
- Bow thruster with joystick control at helm.

ELECTRICAL SYSTEMS

Voltage Systems:

- 12V DC system.
- 2 x 230V AC outlets.
- USB / 12V outlets.
- DC switchboard.

Battery Banks:

- Service batteries 1 x 105Ah – 2026.

- Start battery 12V 2 x 110Ah – 2026.

Entertainment:

- Sound system with bluetooth and speakers in cockpit and cabin (Fusion).

PLUMBING SYSTEMS

Fresh Water & Water Heating System:

- Pressurised fresh water system.
- Fresh water tap at heads washbasin and galley sink.
- 1 x 12v freshwater pump - 2026 below freshwater.

Bilge Pumps:

- Electric bilge pump.
- Manual bilge pump.

TANKAGE

Fuel:

- Fuel capacity: 300L (integrated tank).

Fresh Water:

- Fresh water capacity: 90L.

NAVIGATION EQUIPMENT

- MFD chart plotter (Simrad).
- Multifunction engine data display (Yamaha).
- Navigation lights.

DOMESTIC EQUIPMENT

Galley:

- Single-burner gas hob and stainless steel sink.
- Manual fresh water pump at sink.
- Refrigerator (Waeco pull-out drawer configuration) with compressor.
- 2 x Gas bottles (propane) in locker.

Heads/Showers:

- Separate heads compartment with locking door.
- Electric toilet (Dometic / Sealand).
- Washbasin with mixer tap.

Heating & Ventilation:

- Diesel heater (Webasto AirTop Evo M) with outlets in cabin and cockpit.
- Ventilation through foredeck skylight hatch.

ACCOMMODATION

Summary of Accommodation:

- One cabin with 3–4 berths, plus up to 2 additional berths on the cockpit sunbed.

- Heads compartment with mirror and opening portlight.
- White GRP and white inner liner throughout the interior.
- Grey upholstery on all berths and cockpit seating.
- Reading light and downlights in cabins.
- Storage below beds and in separate drawer and locker.
- Simple galley area.
- Large U-shaped social area seating 8–10 persons in cockpit convertible to sunbed.
- Storage compartment under aft seating / sunbed.
- Helm and Co-pilot seats with swivel function.
- 2 x cockpit tables, easily removable.
- 4 x stainless steel cup holders in cockpit.

DECK EQUIPMENT

Anchoring & Mooring Equipment:

- Anchor with anchor line.
- 4 x mooring lines.
- 4 x fenders.

Covers, Canvas & Cushions:

- Full cockpit canvas enclosure with full standing headroom.
- Custom-fitted seat mattresses for all cockpit seats, sunbed positions and foredeck.

SAFETY EQUIPMENT

Fire-Fighting Equipment:

- 1 x Fire extinguisher in cockpit.
